**Multi Step™ Butterflies** - stamped in order from top to bottom or left to right  
All inks used - Memento (unless noted)

**Step #1**  
top wings - Dandelion  
body and bottom wings - Tangelo

**Step #2**  
entire butterfly - Potter's Clay

*Note: When working with more than one color for a single impression, start with the lightest color first adding the darker color on top. Small and tight areas can be covered by using the pointed edge of a dew drop ink pad.*

**Step #3**  
cover entire butterfly - Rich Cocoa  
add Tuxedo Black to outer wings and antenna  
using the tip of the dew drop pad

*Side Note: You can see that I was a bit off lining up the 3rd step, but I think it still makes for a lovely finished image.*
